

*Epson Professional Media*

# Cold Press Bright

Professional fine art photographers require archival print media with a white point and contrast ratio that meet the demanding requirements of their work without sacrificing the look and feel of a true fine art paper. Epson Cold Press Bright is an acid free, 100% cotton paper that enables rich, deep blacks and an incredibly wide color gamut. The cold press manufacture of this media provides an elegantly textured finish that is optimized for the Epson UltraChrome® Ink family. Offered in a variety of sizes, this fine art paper is free of acid, lignin and chlorine.

**Features/Benefits**

- 100% cotton fiber
- 21 mil thickness
- Acid and lignin free, pH buffered
- Textured matte finish
- Bright White base

**Technical Specifications**
