

Epson Professional Media

Hot Press Bright

Professional fine art photographers require archival print media with a white point and contrast ratio that meet the demanding requirements of their work without sacrificing the look and feel of a true fine art paper. Epson Hot Press Bright is an acid free, 100% cotton paper that enables rich deep blacks and an incredibly wide color gamut. The hot press manufacture of this media provides an extremely smooth finish that is optimized for the Epson UltraChrome® Ink family. Offered in a variety of sizes, this fine art paper is free of acid, lignin and chlorine.

Features/Benefits

- 100% cotton fiber
- 17 mil thickness
- Acid and lignin free, pH buffered
- Smooth matte finish
- Bright White base
