

FineArt InkJet Leather Albums

DIGITAL FINEART COLLECTION

Hahnemühle is pleased to announce a new concept in its prestige range of Digital Inkjet Albums, the main theme being that you can now select the style of album cover you prefer and then pick the paper you wish to use for the inside.

In addition to the classic black leather album cover we have now added a new cushioned soft feel album in black leather with a stylish red pipeline stitch around the edges of the cover.

Both types have the same attention to detail and both covers come supplied with 2 sheets of interleaf and book-end paper for protection of your printed images. Also included are two sets of expansion screws. A pair of 20 mm and 30 mm length.

This enables you to individually adjust the number of pages in your personal album.

There are now 4 different 100% cotton papers from the Photo Rag Family to select from:

Photo Rag Book & Album 220 gsm and Photo Rag Duo 276 gsm are printable on both sides and have a matt and smooth surface.

Photo Rag Satin 310 gsm and Photo Rag Pearl 320 gsm are single side printable with a satin and pearl surface finish respectively.

The Papers are all available in the following album sizes and each pack contains 20 sheets of pre-punched and pre-scored paper along with 22 interleaf sheets.

Leather Album Cover "Classic" in 3 available sizes A4, A3 and 12"x12"

Cushioned soft feel album cover with vibrant red pipeline stitch

The exquisite album covers from Hahnemühle are ideal for presenting photographs in different formats, e.g. in square format with 12x12".
